

Audit Committee of the Board of Directors Charter

PURPOSE

The primary purpose of the Audit Committee (the “Committee”) is to assist the Board of Directors (the “Board”) in fulfilling its oversight responsibilities relating to: (a) the integrity of the financial reports and other financial information provided by CNL Healthcare Properties II, Inc. (the “Company”) to the public; (b) the Company’s compliance with legal and regulatory requirements; (c) the systems of internal controls which management has established; (d) the performance of the Company’s internal audit function; (e) the independence, qualifications and performance of the Company’s independent auditor; (f) the Company’s auditing, accounting and financial reporting processes generally; and (g) the duties set forth below and such other responsibilities as may be delegated to the Committee by the Board from time to time. The Committee is responsible for the appointment, compensation and oversight of the Company’s independent auditors and internal auditors who shall report directly to the Committee and are ultimately accountable to the Board and the Committee. Consistent with this function, the Committee should encourage continuous improvement of, and should foster adherence to, the Company’s policies, procedures and practices at all levels.

COMPOSITION

The Committee shall be composed of three or more directors as determined by the Board, each of whom shall be “independent,” as such term is defined or construed from time to time in the Securities Exchange Act of 1934 and the rules and regulations promulgated thereunder (the “Exchange Act”) and other laws and regulations applicable to the Company and the Committee. In addition, all members of the Committee must possess the requisite financial knowledge and accounting or related financial management experience to fulfill their duties, and the Committee shall endeavor to include in its membership at least one member that qualifies as an “audit committee financial expert” as that term is defined or construed from time to time in the Exchange Act and other laws and regulations applicable to the Company and the Committee. Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Company or an outside consultant.

Prior to approving a director’s appointment to the Committee, the Board shall have determined; (a) that such director satisfies the foregoing independence requirements; (b) in the exercise of its business judgment, that such director has the requisite financial and accounting knowledge to serve on the Committee; and (c) whether such director qualifies as an “audit committee financial expert.”

No member of the Committee shall simultaneously serve on the audit committee of more than two public companies (excluding service on the Audit Committee of the Company) unless the Board has made a determination that such simultaneous service would not impair the ability of such member to effectively serve on the Committee.

The Board, after consultation with the Chief Executive Officer of the Company (“CEO”), shall determine which directors should serve on the Committee and who shall serve as chairman of the Committee. In addition, from time to time as it sees fit, the Board, after consultation with the CEO,

shall remove directors from the Committee or appoint additional directors to the Committee. If a chairman is not elected by the Board, the members of the Committee may designate a chairman by majority vote of the full Committee.

COMPENSATION

The chairman of the Committee and each member of the Committee shall be entitled to compensation for being the chairman and/or member of the Committee, as applicable, and for meeting attendance as such fees are established from time to time by the Board. Each member of the Committee shall be entitled to reimbursement for reasonable out-of-pocket expenses incurred by such member in attending meetings of the Committee and in performing his/her duties as a member of the Committee. No member of the Committee shall receive from the Company any compensation other than his/her fees for serving as a director and a member of the Committee or any other committee of the Board.

MEETINGS

The Committee shall meet at least quarterly, or more frequently as circumstances dictate. As part of its job to foster open communication, the Committee should meet at least annually with management and the independent accountants in separate sessions to discuss any matters that the Committee or either of these groups believe should be discussed privately.

Meetings of the Committee may be called by the Secretary of the Company upon the request of the chairman of the Committee, the CEO, the Company's principal financial officer or a majority of the members of the Committee. Except for the regular quarterly meetings of the Committee, notice of any meeting of the Committee shall be given in the manner provided for in the Bylaws of the Company for meetings of the Board and its committees.

The provisions set forth in the Company's Bylaws for meetings of the Board and its committees shall govern the quorum and voting requirements for all meetings of the Committee.

The Committee shall be required to keep a record of its actions and proceedings and from time to time, shall report to the Board such record and shall include recommendations for Board actions when appropriate.

As necessary or desirable, the chairman of the Committee may request that members of management, independent consultants, and representatives of the independent auditors be present at meetings of the Committee.

RESPONSIBILITIES AND DUTIES

The Committee's specific powers and responsibilities in carrying out its oversight role are delineated in the Audit Committee Powers and Responsibilities Checklist. The checklist will be updated annually to reflect changes in regulatory requirements, authoritative guidance, and evolving oversight practices.
